## Our Story

We love words and know how powerful they can be to keep you focused, motivated, inspired, and edified.

Belvedere Designs and WallQuotes.com started in the living room of our small student apartment. We had just started grad school, our first baby was on the way, and we needed a way to make ends meet.

Three states, seven office spaces, four kids, many sleepless nights, three advanced degrees, a great team of loyal employees, and thousands of creative customers later, and what started as a way to provide for our family through school has grown into a thriving creative enterprise committed to the highest quality designs, products, and service.

We are honored to have a hand in helping you add style, personality, and inspiration to every room in your home, office, church, or school. Thank you so much for supporting our small family business and helping us keep the lights on here at Belvedere Designs.

IT IS NOT THE CRITIC WHO COUNTS:  
not the man who points out how THE STRONG MAN stumbles  
or where the DOER OF DEEDS could have done better.

The CREDIT belongs to THE MAN who is actually IN THE ARENA,

*whose face is marred by dust and sweat and blood,*

**WHO STRIVES VALIANTLY,**  
*who errs and comes up short again and again, because*

there is NO EFFORT WITHOUT ERROR or shortcoming,

but who knows the *great enthusiasms, the great devotions, who spends himself for a worthy cause;*

who, at the best, knows in the end, the TRIUMPH of high achievement,  
and who, at the worst, if he fails, at least he fails while **DARING GREATLY,**

so that *his place* shall NEVER be with those

COLD and TIMID SOULS who knew neither VICTORY nor DEFEAT.

# Design Your Own

## Wall Quotes™ Design Center

Our online Design Center is the perfect tool for making your favorite phrase, family motto, inspiring quote, or unique statement into a beautiful decal to adorn your space. With access to hundreds of attractive and expressive font styles, dozens of embellishments, and endless opportunities to create and tinker and design something you love, our industry-leading Design Center will help you bring your ideas to life!

To begin, you'll 'set a canvas' in the Design Center with the dimensions of your wall space and even adjust the color so you get an idea of how the overall design will look against your wall color. There is no background on the decal at all – only the letters themselves adhere to the wall, but this feature gives you a good idea of how everything will come together in your own space.

From there, you can add text, experiment with font styles and sizes, add embellishments, adjust the layout and more! The Design Center automatically adjusts the overall size estimate and price as you work so you get a real-time view of the overall proportions and cost. And if you need any extra help or just a second opinion, you can always submit your design for review right from the Design Center interface and our talented designers will be delighted to help!

## Custom Graphic Design Services

Our designers are pretty darn good. They're especially good at taking a rough concept and creating beautiful designs and fabulous decals that not only meet but exceed our clients' expectations. If you've got an idea - no matter how rough or vague, give us the details and we'll work with you to make it happen. We'll send a proof for review at every stage - free of charge - so you can be involved at every step. And when it's perfect, we'll get it into production and out to you asap.

No matter the size or scope of your project, we can do it. We routinely design and produce corporate and small-business logos, school, university, and business mission statements, church signs and logos, vehicle stickers and signage, wedding monograms and wedding decals, personal concept drawings

and home decor accents with our personalized design service. We can work with hand-drawn artwork, vector artwork, photos of your design space and most important of all, your original ideas to produce the final project exactly as you've envisioned.

Start by giving us a call or emailing your artwork and/or a description of your idea and we will create a preliminary proof and provide a price quote in about one business day. Our custom design service in most cases is free of charge, though some projects may incur a nominal custom art fee - contact us for details. We're looking forward to working with you and can't wait to get started!

*I was nervous about ordering a decal, since I was unfamiliar with them and how they work. But the team was so helpful and answered all my questions. So I ordered it to go onto my dining room wall. After I got the item (it took about a week after I ordered), I got a little nervous about the process of adhering it to the wall, so I carefully read the instructions, twice. I did exactly as it said, and even used my leveler to make sure it was straight. And it turned out BEAUTIFULLY!! I LOVE it soooooo much and am soooo happy with my purchase. It went on perfectly straight, not lopsided and at just the right height. I'm so pleased, and definitely recommend this to anyone who's considering a wall decal.*
